

606 Dorchester Road, San Mateo Park

Arts and Crafts style meets contemporary amenities in this gorgeous home in heart of sought-after San Mateo Park. Built in 2005, the Craftsman-inspired exterior sets the stage for the fine finishes and thoughtful amenities that flow throughout the home. Lofty ceilings expand the dimensions and large windows invite abundant natural light. The home is unified by detailed millwork, a soft neutral color palette, and unique stone selections. Formal living and dining rooms, a tremendous kitchen and family room combination, plus a spacious wraparound yard provide perfect venues for gatherings large and small. The home's 4 bedrooms are thoughtfully arranged with three bedrooms, including the master, on the uppermost level plus an additional bedroom suite on the lower level offering ideal accommodations for guests, an au pair, or extended family. A fully customized office with extensive built-ins furthers the home's flexibility. To top it off, this elegant residence enjoys access to top-rated local schools and is just within walking distance from amenities on Burlingame Avenue and a short distance from downtown San Mateo.
